

## **Operational Services**

### **Free and Reduced-Price Food Services**

#### Notice

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

If State funding is available for the Healthy School Meals for All Program, the Board will annually determine if it will participate in the program.

#### Eligibility Criteria and Selection of Children

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Dept. of Agriculture and distributed by the Ill. State Board of Education.

#### Notification

At the beginning of each school year, by letter, the District shall notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Superintendent shall provide the same information to:

(1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

#### Nondiscrimination Assurance

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

#### Appeal

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Dept. of Agriculture in 7 C.F.R. §245.7, Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide by mail a copy of them to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.
